

Wendy,

I would like to request the following:

A) Copies of or links to any contract between Sandy City or the Redevelopment Agency of Sandy City and any of the below listed entities (or the same as they are listed in the City's financial and/or document system) in effect between January 1, 2014 and June 30, 2017:

- Dave Nicponski & Associates
- Tetris Group, L.L.C
- Hartman Management Group, Inc.
- Curtis Consulting
- Capitol Hill Association
- RRJ Consulting
- SB Strategies
- Craig Peterson Consulting
- DLS Consulting, Inc.

B) Scott Bond, CAO, recently made comments in response to proposed budget amendments, including the claim that lobbyists expenditures have an ROI of more than 2000%. It appears that claim is based on the attached schedule (or one similar to it) that was circulated a couple of weeks ago with authorship attributed to Deputy Mayor Martin.

With respect to the schedule, I request the following:

a) that the attached schedule, authored by whomever within city staff, be revised to show the source of the funding by entity, the year(s) the funding was received by Sandy City or the RDA, the GL accounts or capital projects to which it was coded, and the lobbyist primarily responsible for the funding presented (from the list in Mike Applegarth's May 8 memo (also attached), to allow the two to be tied together).

b) that the schedule be further revised to show which funding went to the general fund or related funds, and which funding went to the RDA.

c) that the schedule be revised to show from which entities the RDA Haircut or additional increment was (or will be) received, and the amounts received (or to be received) from each.

d) that an explanation be provided as to the nature of the Paramedic/Detective Double Taxation funding received.

e) that the source and nature of the Amphitheater future revenue be described and the GL account code to which the funding is to be coded be indicated.

f) that any pass-throughs or spending commitments related to any of the listed funding/benefits be described as to their nature, intended recipient(s), and the years in which they were or are to be expended.

C) Please provide a list of all associations, boards, committees, commissions, organizations or other entities on which any Sandy City elected official served in their official elected capacity between January 1, 2014 and the date of the response, the name(s) of the elected official(s) so serving and any formal position within the organization held by them (ie Chair, President, etc.).

Thanks in advance,

Steve Smith
